For Students to Think and Follow . . .

1. Develop for yourself self discipline, dignity and decorum.
2. Practice to do daily routines in a systematic way punctually.
3. Exercise full concentration while doing something, be it reading or listening or writing or watching or anything for that matter.
4. Complete work such as observation note books, record writing, drawings, assignments, etc., promptly in time.
5. Devote all the time for studies during important occasions such as test, model examination and university examination periods.
6. Read a subject completely once and understand it thoroughly, revise once, twice, thrice or as many times as need may be guided by your intelligence.
7. Once final preparations have started, keep the subjects on top of everything and utilize maximum time period in a day.
8. One may need in a day, six hours to sleep, one hour for eating, one hour to attend to nature's calls and two or three hours for relaxation. The rest of 14 or 13 hours can be utilized to be with books and studies.
9. Practice to have a sound sleep for six hours in a day.
   In bed, please practice only to sleep, don't munch back things.
10. Develop the habit of using the Library, internet, etc., regularly.
11. Develop the habit of meeting and talking to the HOD, Faculty Counsellor, staff members and Principal as frequently as possible or as and when required.
12. Be sincere to the Faculty Counsellors. Freely discuss your problems, be it academic or otherwise, and seek his/her guidance to solve problems.
13. Be sincere to your parents as well. Don't hide matters from them.
14. There may be problems, which can't be discussed with your parents for some reason or the other. Attempt to take such problems to your faculty counsellor.
15. Please place faith on your teachers, HOD, Principal and the Management. Develop the habit of liking them as they have great roles to play in your studies and welfare
